

# NEXI-ADV-27

## 2U Rackmount Server Appliance

### DESCRIPTION

NEXi (**ADVANCED**) is a full-size server appliance designed for medium-scale VMS deployments that demand high-capacity storage, extended retention periods, and dependable, consistent performance.

Features triple **1Gb** Ethernet ensures fast, stable, and VMS ready network performance

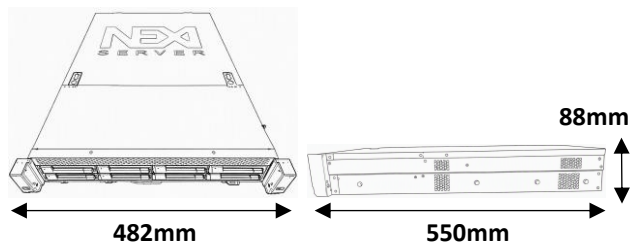

Equipped with **8** hot-swap bays supporting up to **30TB** per drive, it offers massive modular storage capacity, complemented by **optional RAID** support for enhanced data protection and overall system resilience.

### APPLICATION

Support up to **90** channels with average recording resolution of **6MP** with AI object detection.

### WARRANTY

**3 Years RTB** (Return to Base) warranty.

### TECHNICAL SPECIFICATION

#### Processor:

- Intel Core i5-14400

#### Chipset:

- Intel B760

#### Memory:

- 32GB DDR4 DIMM

#### Video:

- Intel UHD Graphics
- Support 4K display output via HDMI

#### Solid State Drive:

- 250GB SSD NVMe for OS
- 250GB SSD NVMe for analytics storage

#### Storage:

- 8 x Hot-swappable 3.5 hard drive bays

#### Ports:

- 2 x Front USB ports
- 4 x Rear USB ports

#### Network Controllers:

- 3 x 1Gb ethernet port

#### Power Supply:

- 2U 600W 80+ power supply

#### Operating System:

- Windows 11 Enterprise pre-installed

#### Form Factor:

- 2U Rackmount

#### Dimension:

- 482mm (W) x 88mm (H) x 550mm (D)

#### Operating Temperature:

- ~ 0°C - +40°C

#### Accessories:

- Keyboard and mouse
- Sliding rail kit

#### DISCLAIMER:

- Hardware specification may change without warning.
- Hardware are pre-staged and tested before dispatching.
- System performance is only an estimation.
