

**VAUBAN'S APPROACH MARKS THE BEGINNING OF A NEW ERA FOR ACCESS CONTROL.
IT IS BECOMING SIMPLE, FUNCTIONAL AND EVER MORE RELIABLE.**

NEW GENERATION

Innovation & Know How

ACCESS CONTROL SOLUTIONS have rapidly become an integral part of the corporate world, becoming so widespread that they have now begun to be used by private individuals. However, their modes of use need to change. Today, a fail-safe security solution must be simple and adapted to the environment in which it is used, because a tailor-made answer combined with user comfort is the best guarantee of the optimum daily security.

VAUBAN SYSTEMS IS A FRENCH COMPANY SPECIALISING IN THE DESIGN AND MANUFACTURE OF COMPREHENSIVE PHYSICAL ACCESS CONTROL SOLUTIONS.

VISOR® APP

Managers Applications

Managers application for Android & iOS Smartphones:

- + list of events
- + user management
- + opening doors remotely
